Adair Printing Wins Gold and Silver at Printing Awards Show

(Dexter, MI) – June 1, 2009 – Adair recently took home the Gold and Silver Printing Award from the Detroit Club of Printing House of Craftsman. The gold award was for a Special Edition Comic Book with a local comic publisher, Monolith, of Detroit, Michigan. The silver award was for an Aftermarket Catalog for Arrowhead Electrical Products in Minnesota.

The “Rapid City Comic Book B-Sides” was distributed to a select group of people at Comic-Con in New York this past year. The comic is a semi-autobiographical superhero comic book based loosely on the writer’s experiences in the Kalamazoo, Michigan punk-rock scene. The comic was printed on Adair’s Digital Press.

Arrowhead Electrical Products services the replacement market for Outdoor Power, Agricultural, Construction, On-Highway Truck, Automotive, Light Truck, Marine and Powersports (Motorcycle, ATV, UTV, & PWC) industries. The catalog was printed on Adair’s offset presses.
